Newlands  
of Stow

# Welcome home

Newlands is set within idyllic landscaped grounds framed by rolling Cotswold countryside and in easy walking distance of Stow-on-the-Wold. It's where like-minded people used to gracious living can enjoy an exceptional and highly individual way of life now, and in the years to come.

## LIVE LIFE YOUR WAY

The architect designed, two or three bed Cotswold stone cottages and exceptionally spacious apartments offer garaging or private parking. Every home is unique, with characterful detail reflecting the architectural style of Newlands and its surrounding estate.

Everything is finished to exacting levels, ensuring residents enjoy standards of accommodation to which they are accustomed, along with all the benefits of the outstanding on-site facilities and support.

A home at Newlands offers all the benefits a resident could ever want, taking away the stress that can hamper the enjoyment of day-to-day life. There is no compromise in the sense of grand living and independence. We simply offer the means to forgo concerns such as house and garden upkeep and the trials of domestic chores, leaving residents free to enjoy their life, just the way they want it.

## A COUNTRY CLUB ATMOSPHERE

Newlands bespoke service is tailored to the exacting requirements of every resident. No request is too much trouble for our friendly concierge services, from ordering a weekly shop, tickets to the opera, or organising private dining for our residents, family, and friends. Discreet housekeeping and unobtrusive support is available to maintain an independent lifestyle.

We take care of every detail.

Expect Five-Star hospitality on your doorstep. Residents can dine, in one of two restaurants and there really is nothing to beat afternoon tea on our sun terrace overlooking the formal gardens; meals can even be served to residents at home if required.

## EXCELLENCE IN LATER LIVING

For over 30 years, we have been redefining retirement living – creating exceptional communities, with a standard of later living that goes beyond expectations. From its magnificent Cotswold setting, Newlands of Stow is seen as one of the country's most prestigious places to retire. We are proud of our unique offer that has been carefully defined through our understanding of resident expectations and needs.

Unlike other operators, we develop and build our own communities, ensuring total control over quality, design, and vision. As proud members of the Associated Retirement Community Operators (ARCO) and the Retirement Housing Group (RHG), we seek to uphold the highest industry standards, investing in our people, facilities, and pioneering care that allows residents to truly flourish.
